HB 439 Original

2020 Regular Session

Zeringue

**Abstract:** Prohibits local governmental entities from interference in an integrated coastal protection project or program.

Proposed law prohibits a political subdivision, local governing authority, or any other local government entity, from interfering with an integrated coastal protection project or program provided for in an approved master plan or annual plan by way of enactment, adoption, or enforcement of any ordinance, law, permit, or regulation.

Proposed law further provides that the Coastal Protection and Restoration Authority and the board may consider compliance with local ordinances, laws, regulations, or other policies that might otherwise apply to integrated coastal protection projects and programs.
