Present law creates, within the Dept. of Public Safety and Corrections, the La. Bureau of Criminal Identification and Information which has the responsibility for establishing and maintaining a central repository of criminal history records.

Present law (R.S. 15:576) provides for definitions of the following terms: "bureau", "criminal history record" or "criminal history record information", "criminal justice agency", "criminal justice information system", and "criminal justice system".

Proposed law adds a definition for the term "FBI rap back system" which means a service maintained by the FBI to provide authorized noncriminal and criminal justice agencies ongoing status notifications of any criminal history subsequently reported to the FBI in its criminal history system after the initial criminal or civil transaction.

Present law (R.S. 15:587) requires the bureau to provide such information, upon request and as the deputy secretary of the Dept. of Public Safety and Corrections designates, to any eligible criminal justice agency, and the La. Dept. of Health, the state fire marshal, the Dept. of Children and Family Services, the Dept. of Insurance, the La. The bureau is authorized to submit fingerprints to the FBI to be retained in the FBI rap back system for the purpose of being searched by future submissions to the FBI rap back system, including latent fingerprint searches. Requires the bureau to make available to the La. Dept. of Education rap backs for requests made pursuant to present law (R.S. 17:15, 407.42, and 407.21).

Present law (R.S. 15:587.1) provides that any employer or others responsible for the actions of one or more persons who have been given or have applied to be considered for a position of supervisory or disciplinary authority over children, the Dept. of Children and Family Services as employer of one or more persons who have been given or have applied to be considered for a position whose duties include the investigation of child abuse or neglect, supervisory or disciplinary authority over children, direct care of a child, or performance of licensing surveys, and for individuals who are employed by or contracted staff of a child care institution, shall request in writing that the bureau supply information to ascertain whether that person has been arrested for or convicted of, or pled nolo contendere to, any criminal offense.
