Purpose of Bill: This measure changes eligibility requirements and the percentage of group insurance premium costs paid by the Catahoula Parish Sheriff's Office (CPSO) for retired sheriffs and deputy sheriffs who were hired on or after July 1, 2020. For a retiree with 20 years of creditable service, the CPSO will pay 50% of the group insurance premium costs; for retiree with 25 years of creditable service, the CPSO will pay 75% of the group insurance premium costs; and for retiree with 30 years of creditable service, the CPSO will pay 100% of the group insurance premium costs.

EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures in the next five fiscal years as a result of this measure.

An official with the Catahoula Parish Sheriff's Office indicated that they will have no employees eligible for retirement in the next five years. However, this bill may result in a reduction of expenses for retiree insurance premiums in the future for employees hired after July 1, 2020 (as the bill allows the Office to pay for less than 100% of the premium costs), but the amount is indeterminable at this time.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
