HB 736 Original

2020 Regular Session

Gary Carter

Abstract: Authorizes the La. Tax Commission to receive taxpayer claims for the refund of statutory impositions that are declared invalid pursuant to a legal challenge within three years of the date of the final judgment declaring the statutory imposition invalid.

Present law authorizes any person who has a claim against a political subdivision for *ad valorem taxes erroneously paid* to present the claim to the La. Tax Commission (hereinafter "commission") within three years of the date of the payment; however, if a person is claiming a previously unclaimed homestead exemption, it may be presented to the tax commission within five years of the date of payment. Requires the commission to consult with the assessor of the parish where the property is located, and after that assessor advises that a refund is due, the tax commission shall examine the merits and correctness of each claim presented to it and make a determination within 30 days after receipt of the claim.

Proposed law retains present law but adds authority for any person who has a claim against a political subdivision for any statutory imposition that is declared invalid pursuant to a legal challenge for the payment of the statutory imposition to present the claim to the commission within three years of the date of the final judgment declaring the statutory imposition invalid. Requires the commission to note the date of submission of the judgment by the taxpayer and to order repayment of the statutory impositions by the tax collector of the sums declared legally invalid, together with interest and court costs, as directed by the court.

Proposed law requires the tax collector to refund the sum of statutory impositions held to be invalid, together with interest and court costs to the taxpayer within 30 days of the order by the commission authorizing and directing the tax collector to refund these sums. However, in lieu of a refund, the tax collector may grant the taxpayer a credit up to the amount ordered by the commission to offset ad valorem tax liability or statutory impositions owed by the taxpayer. Amounts of unused credit shall carryover to the benefit of the taxpayer until the total amount ordered by the commission is extinguished.

Proposed law is applicable to all claims of statutory impositions declared invalid by a court on or after Jan. 1, 2020.

Effective upon signature of governor or lapse of time for gubernatorial action.
