HB 808 Original

2020 Regular Session

Magee

**Abstract:** Provides for additional premium discounts when an insured consents to provide his data that has been collected by a motor vehicle insurer to third parties.

Proposed law requires an insurer to provide an insured with a 10% premium reduction when an insured gives consent to allow the insurer to share with or sell to a third party the named insured's data that has been collected through a safe driving program, application, or telematics device.

Proposed law requires an insurer to seek and obtain consent before providing a third party with the named insured's data.

Proposed law redesignates present law.
