SB 456 Original	DIGEST 2020 Regular Session	Hensgens
-----------------	--------------------------------	----------

Present law provides for the Rural Hospital Preservation Act for the purpose of ensuring the continued viability of rural hospitals.

Proposed law retains present law.

Present law defines "department", "emergency medical condition", "health care provider", "prospective rates approximating cost", "public rural hospital", "reasonable cost", "rural hospital", and "state plan for medical assistance".

Proposed law retains present law and makes technical changes.

Effective August 1, 2020.

(Amends R.S. 40:1189.3)
