The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Margaret M. Corley.

DIGEST

SB 472 Original

2020 Regular Session

Luneau

<u>Proposed law</u> authorizes electronic notarial acts and notaries public to perform an electronic notarial act.

<u>Proposed law</u> provides definitions and procedures for an applicant to be qualified by the secretary of state to perform electronic notarial acts. Provides for the adoption of rules to implement its provisions.

<u>Proposed law</u> specifies that a notary public authorized to perform electronic notarial acts is a notary public who holds a valid notarial commission in Louisiana and who has statewide jurisdiction. Does not authorize an ex officio notary public to perform electronic notarial acts.

<u>Proposed law</u> provides requirements for performing and keeping of records of electronic notarial acts, and for termination of commission. Provides procedures for an electronic notarial act.

<u>Proposed law</u> provides that an electronic document resulting from an electronic notarial act that meets the requirements of the <u>present law</u> concerning authentic acts shall be recognized and treated as an authentic act.

Effective August 1, 2020.
