HB 665 Engrossed

2020 Regular Session

Cormier

**Abstract:** Reestablishes the Louisiana Toxic Mold Task Force.

Proposed law provides a legislative declaration that it is in the best interest of the public health, welfare, and safety to establish a task force to lead development of comprehensive policies and promote best practices concerning mitigation and remediation of toxic mold and reducing the adverse health effects caused by this unique threat to public health. Establishes the Louisiana Toxic Mold Task Force, comprised of the following sixteen members:

- (1) One pediatric environmental health specialist appointed by the secretary of the La. Department of Health (LDH).
- (2) One person with expertise in toxicology appointed by the secretary of LDH.
- (3) The assistant secretary of the office of public health of LDH or his designee.
- (4) The chancellor of the Louisiana State University Health Sciences Center at New Orleans or his designee.
- (5) The chancellor of the Louisiana State University Health Sciences Center at Shreveport or his designee.
- (6) The dean of the School of Public Health and Tropical Medicine of Tulane University or his designee.
- (7) One member appointed by the La. State Medical Society.
- (8) One member appointed by the La. Primary Care Association.
- (9) One member with expertise in consumer protection appointed by the La. attorney general.
- (10) One member appointed by the Southern University Law Center.
- (11) One member appointed by the Paul M. Hebert Law Center of Louisiana State University.
- (12) One member with expertise in toxic mold remediation appointed by the La. State Licensing Board for Contractors.

- (13) One member appointed by the La. Housing Corporation.
- (14) One member appointed by the La. Realtors Association.
- (15) One member appointed by the La. Home Builders Association.
- (16) One member appointed by the Apartment Association of La.

Proposed law provides that on or before Jan. 1, 2021, and annually thereafter, the task force shall prepare and submit to the governor and the legislature a report on the status of public health risks from toxic mold in La. Requires that the report include the following:

- (1) An assessment, based on scientific evidence, of the nature, scope, and magnitude of the adverse environmental and health impacts caused by toxic mold in La.
- (2) Measurement, based on scientific evidence, of the adverse health effects of exposure to molds on the general population, including specific effects on any subgroups identifiable as being at greater risk of adverse health effects when exposed to molds.
- (3) Identification of actions taken by the state, local governments, and any other public or private organizations that have made a positive impact on mitigating the harm to public health of toxic mold.
- (4) Identification of best practices for the control of mold in a cost-effective and environmentally sound manner.

Proposed law provides that the task force shall terminate on Jan. 1, 2024.

(Amends R.S. 40:1289.1-1289.5; Adds R.S. 36:259(B)(37))

#### Summary of Amendments Adopted by House

The Committee Amendments Proposed by House Committee on Health and Welfare to the original bill:

- 1. Revise proposed law providing that the dean of the School of Public Health and Tropical Medicine of Tulane University shall be a task force member to provide instead that the dean or his designee shall be a task force member.
- 2. Make technical changes.
