DIGEST

SB 487 Engrossed 2020 Regular Session Allain

Present law requires that the application for any capital outlay budget request which receives funding in the capital outlay budget be updated each year that the project remains active in the budget process to reflect all changes in the project that occurred since the previous submission.

Proposed law limits present law annual reapplication requirement to those projects that are receiving new state funding that are included in the capital outlay budget.

Effective August 1, 2020.
