**EXPENDITURE EXPLANATION**

**There may be an increase in local fund expenditures by the amount collected in fees as a result of this measure.**

According to the Concordia Parish Coroner, there may be an increase in local fund expenditures by the amount of fees collected. The Coroner plans to use the funds for training, equipment, uniforms, fuel, investigative tools, and possible salaries, if funds are available.

**REVENUE EXPLANATION**

**Local fund revenues may increase annually by \$6,180 as a result of this measure.**

According to an official with the Concordia Parish District Attorney's Office, during the period of October, November and December of 2019, there were 69 felonies, 102 misdemeanors, and 138 traffic tickets that pled guilty or were found guilty. Based on the cases in a quarter, we estimated that there could be 1,236 cases per year applicable to the fees provided for in this bill. An estimate for the amount of revenue generated if all cases had the maximum fee of \$5 imposed would be \$6,180 per year (1,236 guilty cases x \$5). These fees would be distributed to the Concordia Parish Coroner's operational fund.
