

RÉSUMÉ DIGEST

SCR 35

2020 Regular Session

Mizell

Requests the Department of Transportation and Development to determine which of its assets are available for installation of broadband internet lines and to implement a "Dig Once" policy to allow a broadband internet operator to install cable in the ground more economically. Requires, no later than March 1, 2021, that the department prepare a written report to the House of Representatives and to the Senate.
