WHEREAS, unlike our neighboring states, Louisiana's taxing of a licensee's own

1	dollars distributed to patrons in the form of promotional play creates a disincentive to using
2	this marketing tool by Louisiana licensees; and
3	WHEREAS, according to testimony before Senate Committee on Judiciary B, Senate
4	Committee on Revenue and Fiscal Affairs and the House Committee on Ways and Means,

7	generated by their industry; and
8	WHEREAS, it is helpful and responsible for policymakers to allow the change in
9	definitions to be fully implemented and gather data over time to assess its effect on state
10	taxes generated.
11	THEREFORE, BE IT RESOLVED that the Legislature of Louisiana does hereby
12	urge and request that in the event Senate Bill No. 5 is enacted and becomes law, the
13	Louisiana Gaming Control Board is to report on the state fiscal impact of the promotional
14	play exception to the definitions of net gaming proceeds, gross revenue, and net slot
15	machines proceeds.
16	BE IT FURTHER RESOLVED that such report shall use data from state Fiscal Years
17	2021, 2022, and 2023, as well as prior fiscal years to assess the overall fiscal impact of the

19	land based casino gaming, and slot machine gaming at race tracks.
20	BE IT FURTHER RESOLVED that the report shall be submitted to the Senate
