

## **RÉSUMÉ DIGEST**

**SCR 4**

**2020 First Extraordinary Session**

**Foil**

Requests the departments of Economic Development, Insurance, Revenue, and Transportation and Development and the division of administration to study and make recommendations relative to the practicality and feasibility of establishing a funding mechanism for public-private partnership investment in Louisiana infrastructure projects that may include the establishment of a public-private partnership investment tax credit program.

Requests the departments to submit a report detailing the results of the study and the recommendations to the Senate and House committees on transportation, highways and public works, the Senate Committee on Revenue and Fiscal Affairs, and the House Committee on Ways and Means no later than March 1, 2021.
