**ACT 290 (HB 640)**

**2020 Regular Session**

**Charles Owen**

Existing law authorizes parishes to create waterworks districts, which have control of water systems in their respective districts. Provides for meetings of the board of commissioners of any such district.

Existing law authorizes a per diem for waterworks district commissioners for attendance of meetings. Existing law provides that per diem shall be paid for up to 24 regular meetings and 12 special meetings each year. Prior law provided generally that the maximum per diem was \$60. New law changes the authorized per diem amount to not less than \$60 and not more than per diem paid to members of the La. legislature.

Prior law provided for higher limits on per diem for particular districts and parishes. New law repeals these particular provisions in accordance with new law.

Effective Aug. 1, 2020.
