

RÉSUMÉ DIGEST

ACT 201 (HB 615)

2020 Regular Session

Seabaugh

Existing law does not provide for acts or omissions by organ procurement organizations in private services or state services to be considered medical malpractice.

New law adds organ procurement organizations' acts or omissions in both private services and state services for medical malpractice actions.

New law adds a donor or prospective donor of an organ or tissue to the definition of "patient".

Effective Aug. 1, 2020.

(Amends R.S. 40:1231.1(A)(15) and 1237.1(A)(5); Adds R.S. 40:1231.1(M) and 1237.1(D)(3))
