

RÉSUMÉ DIGEST

ACT 295 (HB 702)

2020 Regular Session

Bagley

Existing law provides that a licensed practical nurse shall administer his job duties under the direction of a licensed physician, optometrist, or dentist acting individually or in his capacity as a member of the medical staff or registered nurse.

New law adds physician assistant as an individual who may provide direction to a licensed practical nurse to perform his necessary duties.

Effective Aug. 1, 2020.
