DIGEST

SB 6 Engrossed

2020 Second Extraordinary Session

Lambert

Present law provides that no later than November first of each year, the head of each budget unit shall present to the office of facility planning and control of the division of administration all requests for capital outlay expenditures proposed to be funded within the next five years.

Present law provides that capital outlay budget requests submitted after November first may be included within the capital outlay act if the capital outlay budget request meets all of the applicable requirements as provided in R.S. 39:101 and 102 except for time of submission and if any of the following conditions have been met:

- (1) The project is an economic development project recommended in writing by the secretary of the Dept. of Economic Development.
- (2) The project is an emergency project recommended in writing by the commissioner of administration.
- (3) The project is for a nonstate entity, has a total project cost of less than \$1 million, and has been approved by the Joint Legislative Committee on Capital Outlay (JLCCO) on or before February first.
- (4) The project is located in a designated disaster area and there is a public need for the project because of a national or state declared disaster, and the project has been approved by the JLCCO, which approval may occur after February first and which project may have a total project cost of \$1 million or more.

Proposed law adds state-owned and administered projects submitted by a budget unit of the state that are included in the Capital Outlay Act as provided in proposed law to the list of projects which may be submitted after November first.

Proposed law does not apply to a political subdivision that is also a budget unit of the state.

Effective upon signature of the governor or lapse of time for gubernatorial action.
