1 A RESOLUTION

2 To commend the JNC Foundation for its breast cancer awareness efforts, community
3 service, and support for women of color.

4 WHEREAS, the JNC Foundation was founded in 2020 in memory of JeNaiya Nailor
5 Clark, who lost her life at thirty-six years old after a brief battle with breast cancer; JeNaiya,
6 a graduate of St. James High School and Louisiana State University, discovered her
7 condition in its final, most deadly stage, despite having visits with various healthcare
8 providers prior to her diagnosis; and

9 WHEREAS, for the JNC Foundation, JeNaiya's death serves as a stark reminder of
10 the systemic racial barriers black women, as well as other women of color, face while
11 seeking effective healthcare; and

12 WHEREAS, the JNC Foundation's mission is to share JeNaiya's story and the stories
13 of others in order to fight both breast cancer and racial disparities in healthcare; the
14 foundation provides community outreach and support to breast cancer survivors, annual
15 scholarship awards to college students studying any field of medicine, and advocacy services
16 that lead to the transformation, development, and enhancement of breast cancer treatment;
17 and

18 WHEREAS, the JNC Foundation is most deserving of commendation for taking on
19 the long and arduous battles against breast cancer and racial inequality in healthcare.

20 THEREFORE, BE IT RESOLVED that the House of Representatives of the
21 Legislature of Louisiana does hereby commend the JNC Foundation for its breast cancer

1 awareness efforts, community service, and support for women of color; does hereby thank
