11 §2005.1. Visitation by members of clergy during a declared public health
12 emergency

13 A. The legislature declares that the purpose of this Section is to protect
14 the religious liberty of each patient or resident and to protect inpatient health
15 care facilities from costly lawsuits and administrative complaints on the basis
16 of religious discrimination by affording patient or resident access to members
17 of the clergy provided that those members of the clergy enter the inpatient
18 health care facility on a voluntary basis and comply with the safety
19 requirements of the facility in order to visit and minister to the patient or
20 resident.

21 B.(1) The Louisiana Department of Health shall promulgate rules,
22 pursuant to the Administrative Procedure Act, to require inpatient health care
23 facilities to allow members of the clergy to visit patients or residents during a
24 public health emergency whenever a patient or resident requests such a visit.
25 Special consideration shall be given to patients or residents receiving end-of-life
26 care.

27 (2)(a) The rules shall include but not be limited to definitions, minimum
28 requirements, and provisions to protect the health, safety, and welfare of the
29 patients or residents and the staff of the inpatient health care facility.

30 (b) The rules shall allow inpatient health care facilities to adopt

1 reasonable time, place, and manner restrictions on patient or resident visitation
2 that are implemented for the purpose of mitigating the possibility of
3 transmission of any infectious agent or disease or to address the medical
4 condition or clinical considerations of an individual patient.

5 (3) The rules promulgated pursuant to this Section shall be preempted
6 by any federal statute, federal regulation, or guidance from a federal
7 government agency that requires an inpatient health care facility to restrict
8 patient visitation in a manner that is more restrictive than the rules adopted by
9 the Louisiana Department of Health pursuant to this Section.

10 C. For purposes of this Section, the following definitions shall apply:

11 (1) "Inpatient health care facilities" means all of the following:

12 (a) A hospital licensed pursuant to Part II of Chapter 11 of Title 40 of

25 health care facility from allowing clergy to visit or minister to patients or residents in a
26 manner deemed appropriate by the inpatient health care facility prior to the effective date
27 of the rules which are to be implemented by the Louisiana Department of Health pursuant
28 to this Act.

29 Section 4. This Act shall become effective upon signature by the governor or, if not
30 signed by the governor, upon expiration of the time for bills to become law without signature
