

prison contractors for the financing, acquiring, designing, leasing, constructing, and operating of prison facilities.

Proposed law terminates the use of private, for-profit prison contractors by the Department of Public Safety and Corrections and local governmental subdivisions to provide housing to inmates assigned to state or local prison facilities.

Proposed law provides that on or after January 1, 2022, the department or any local governmental subdivision shall not enter into a contract with a private, for-profit prison contractor for a prison facility located in the state to provide housing for inmates assigned to state or local facilities.

Proposed law provides that on or after January 1, 2022, the department or any local governmental subdivision shall not renew any contract with a private, for-profit prison contractor for a prison facility located in the state to provide housing for inmates assigned to state or local facilities.

Proposed law provides that after January 1, 2029, a state prison inmate or other person under the jurisdiction of the department or any local governmental subdivision shall not be housed in a prison facility operated by a private, for-profit prison contractor.

Effective August 1, 2021.
