HB 418 Original

2021 Regular Session

Robby Carter

**Abstract:** Allows a testamentary small succession to include immovable property.

Present law provides that a small succession is the succession of a decedent whose property in La. has a gross value of \$125,000 or less as of the date of death or whose death occurred at least 20 years prior to the date of filing a small succession affidavit.

Proposed law retains present law.

Present law further provides that a small succession shall also include a succession of a person who has died testate, leaving no immovable property, and probate of the testament of the deceased would have the same effect as if the deceased had died intestate.

Proposed law allows for a testamentary small succession regardless of whether the testator leaves immovable property.
