DIGEST

SB 170 Original

2021 Regular Session

Johns

Present law provides for the crime of human trafficking. Makes it unlawful to use another person to provide any labor or service having economic value through fraud, force, or coercion or to facilitate or benefit from the prohibited activities. If the victim is under age 21 and providing some commercial sexual activity, the use of fraud, force, or coercion is not necessary.

Present law provides for human trafficking victims services plans for children and adults. Creates the 17-member La. Human Trafficking Prevention Commission (commission) in the office of the governor and a 23-member advisory board for the purpose of coordinating human trafficking prevention programs and integrating delivery of services to human trafficking victims.

Proposed law retains present law and, effective July 1, 2021, creates the office of human trafficking prevention (OHTP) in the governor's office for the purpose of coordinating resources of public and private entities engaged in providing assistance to human trafficking victims. Places the commission within OHTP.

Proposed law provides for an executive director of OHTP appointed by the governor and confirmed by the Senate. Adds the executive director to the commission. Provides for the executive director to employ necessary staff.

Present law requires DCFS to make a current listing of safe houses for sexually exploited children available to courts, prosecutors, and other stakeholders.

Proposed law requires the list to be made available to OHTP as well.

Present law requires each private entity providing victims services pursuant to present law and each safe house to submit annual reports to the Department of Children and Family Services (DCFS). Requires DCFS to compile data from the reports and provide the data to the legislature by February first.

Proposed law requires reports to be submitted to OHTP as well as DCFS. Moves the requirement for data compilation and transmission to the legislature from DCFS to OHTP.

Present law requires DCFS to create a coalition to develop a human trafficking victim services delivery model, giving consideration to the recommendations of and collaborating with the commission and advisory board.

Proposed law repeals present law.

Effective upon signature of the governor or lapse of time for gubernatorial action.
