HB 597 Original

2021 Regular Session

Miguez

Abstract: Prohibits state agencies and political subdivisions from entering into public works or procurement contracts with companies that discriminate against firearm entities or trade associations.

Proposed law creates certain restrictions with respect to the ability of the state and its political subdivisions to contract pursuant to the state Public Bid Law (R.S. 38:2181, et seq) and the La. Procurement Code (R.S. 39:1551, et seq).

STATE PUBLIC BID LAW

Present law establishes the state Public Bid Law to govern the letting of contracts for the erection, construction, alteration, improvement, or repair of any public facility or land owned, used, or leased by a public entity. Defines "public entity" to mean the state of La., or any agency, board, commission, department, or public corporation of the state, or any political subdivision of the state, and any public housing authority, public school board, or any public officer whether or not an officer of a public corporation or political subdivision. (Pursuant to present law, the term does not include a public body or officer where the particular transaction of the public body or officer is governed by the provisions of the model procurement code.)

Proposed law adds an additional restriction to contracts let by public entities pursuant to the state Public Bid Law. Prohibits a public entity from entering into a contract with a company for the purchase of goods or services unless the contract contains a written verification from the owner of both of the following:

- (1) The company does not have a written or unwritten internal practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association.
- (2) The company will not discriminate against a firearm entity or firearm trade association during the term of the contract based solely on the entity or association's status as a firearm entity or firearm trade association.

Further provides that proposed law will only apply to contracts with a value of \$100,000 or more that meets all of the following criteria:

- (1) Is to be paid partly or wholly from public funds.
- (2) Is between a public entity and a company with at least 10 full-time employees.
- (3) Is entered into on or after August 1, 2021.

Proposed law provides that "discriminate against a firearm entity or firearm trade association" shall mean that an owner:

- (1) Causes the company to refuse to engage in the trade of any goods or services with the entity or association.
- (2) Causes the company to refrain from continuing an existing business relationship with the entity or association.
- (3) Causes the company to terminate an existing business relationship with the entity or association.
- (4) Otherwise expressing a prejudice against the entity or association.

LOUISIANA PROCUREMENT CODE

Present law establishes the La. Procurement Code to govern buying, purchasing, renting, leasing, or otherwise obtaining supplies, services, or major repairs by any governmental body of the state. Present law defines "governmental body" as any department, office, division, commission, council, board, bureau, committee, institution, agency, government corporation, or other establishment or official of the executive branch of state government. Present law further authorizes political subdivisions to participate in certain contracts let pursuant to present law.

Present law (R.S. 39:2191, et seq) establishes restrictions on contracting that apply to any bid or award resulting from present law (the La. Procurement Code). Proposed law adds an additional restriction for contracts let by governmental entities pursuant to the La. Procurement Code. Defines "governmental entity" as:

- (1) Any department, office division, commission, council, board, bureau, committee, institution, agency, government corporation, or other establishment or official of the executive branch of state government.
- (2) Any parish, city, town, governmental body, and any other subdivision of the state or public agency thereof, public authority, public educational, health, or other institution, and to the extent provided by law, any other entity which expends public funds for the acquisition or leasing of supplies, services, major repairs, and construction, and any nonprofit corporation operating a charitable hospital.

Proposed law prohibits a governmental entity from entering into a contract with a company for the purchase of goods or services unless the contract contains a written verification from the owner of both of the following:

- (1) The company does not have a written or unwritten internal practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association.
- (2) The company will not discriminate against a firearm entity or firearm trade association during the term of the contract based solely on the entity or association's status as a firearm entity or firearm trade association.

Further provides that proposed law will only apply to contracts with a value of \$100,000 or more that meets all of the following criteria:

- (1) Is to be paid partly or wholly from public funds.
- (2) Is between a public entity and a company with at least 10 full-time employees.
- (3) Is entered into on or after August 1, 2021.

Proposed law provides that "discriminate against a firearm entity or firearm trade association" shall mean that an owner:

- (1) Causes the company to refuse to engage in the trade of any goods or services with the entity or association.
- (2) Causes the company to refrain from continuing an existing business relationship with the entity or association.
- (3) Causes the company to terminate an existing business relationship with the entity or association.
- (4) Otherwise expressing a prejudice against the entity or association.

Effective August 1, 2021.
