AN ACT

To amend and reenact R.S. 18:18(A)(7), 1351(13), 1353(B), the introductory paragraph of (C) and (C)(2), and (D), 1361, 1362(A), and 1364(A), to enact R.S. 18:1362.1 and 1362.2 and R.S. 36:744(O) and (P), and to repeal R.S. 18:553.1, 1351(5), 1352(C), and 1365, relative to oversight of voting systems; to provide for definitions; to provide for promulgation of rules; to provide for appointments; to provide for legislative oversight; to provide for an evaluation authority; to provide for membership; to provide for reporting requirements; to provide for evaluation criteria; and to provide for related matters.

Be it enacted by the Legislature of Louisiana:

Section 1. R.S. 18:18(A)(7), 1351(13), 1353(B), the introductory paragraph of (C) and (C)(2), and (D), 1361, 1362(A), and 1364(A) are hereby amended and reenacted and R.S. 18:1362.1 and 1362.2 are hereby enacted to read as follows:

§18. Secretary of state; powers and duties

A. The secretary of state shall administer the laws relating to custody of voting machines and voter registration, and for this purpose he shall:

\* \* \*

1 (7) Prescribe uniform rules, regulations, forms, and instructions as to the use  
2 of ~~electronic~~ voting machines, as defined by R.S. 18:1351, in the conduct of early  
3 voting, which shall be approved by the attorney general and thereafter shall be  
4 applied uniformly by each registrar of voters in the state.

5 \* \* \*

6 §1351. Definitions

7 As used in this Chapter, unless otherwise specified, the following terms shall  
8 have the meanings herein ascribed to each:

9 \* \* \*

10 (13) "Voting machine" means the enclosure occupied by the voter when  
11 voting, as formed by the machine, its screen, and privacy shield, ~~which shall include~~  
12 ~~electronic voting machines.~~ **Tabulation of the vote may occur on the voting**  
13 **machine or on another component of the voting system.**

14 \* \* \*

15 §1353. Secretary of state; powers and duties; voting systems and system  
16 components; voter registration

17 \* \* \*

18 B. The secretary of state ~~may prescribe~~ **shall promulgate** uniform rules and  
19 regulations with respect to ~~matters pertaining to the procurement,~~ **the** preparation;  
20 and use of voting systems in the conduct of elections and the duties of each category  
21 of persons charged with responsibility for any matter relating to the voting systems  
22 **in accordance with the Administrative Procedure Act and subject to the**  
23 **oversight of the House Committee on House and Governmental Affairs and the**  
24 **Senate Committee on Senate and Governmental Affairs.** The rules and  
25 regulations shall ~~be approved by the attorney general and thereafter shall~~ be  
26 distributed by the secretary of state to the election officials having responsibilities  
27 relating to elections. ~~The rules and regulations shall be~~ **and** applied uniformly  
28 throughout the state.

29 C. In addition to any other duties and functions ~~now or hereafter~~ provided by

1 law, the secretary of state shall:

2 \* \* \*

3 (2) Be responsible for coordinating with the office of state procurement  
4 with regard to all procurement, sales, and transfers of voting systems and system  
5 components and for all matters ~~in connection with issuing~~ pertaining to the  
6 issuance of competitive bids or requests for proposals ~~or the advertising for and~~  
7 ~~opening of bids for or in connection therewith.~~

8 \* \* \*

9 D. The secretary of state ~~may~~ shall appoint or employ mechanics, experts,  
10 and other assistants when necessary in order to assume the maintenance, upkeep, and  
11 proper functioning and operation of the machines, or when necessary in order to  
12 explain and demonstrate to the election officials or to the public the proper method  
13 of operation of the machines.

14 \* \* \*

15 §1361. Approval of voting systems or system components; certificate; expenses of  
16 examination

17 A. Prior to the solicitation of bids for any new voting system, the  
18 secretary of state shall, by rule, develop and adopt reasonable certification  
19 standards solely pertaining to the durability, accuracy, efficiency, and capacity  
20 of voting systems for use in the state, in accordance with the Administrative  
21 Procedure Act and subject to the oversight of the House Committee on House  
22 and Governmental Affairs and the Senate Committee on Senate and  
23 Governmental Affairs. The secretary of state ~~may~~ shall examine any type or make  
24 of voting system or system component upon the request of a representative of the  
25 maker or supplier thereof for compliance with the certification standards. If the  
26 secretary of state determines that the voting system or system component complies  
27 with the ~~requirements of this Chapter and that it meets standards acceptable to him~~  
28 ~~as to durability, accuracy, efficiency, and capacity~~ certification standards, he shall  
29 approve that voting system or system component for use in this state and shall issue

1 his certificate of approval thereof. ~~Any voting system procured or used in the state~~  
 2 ~~shall include a sound-creating device which will audibly indicate that a voter has left~~  
 3 ~~the machine after casting his vote and allow for the challenge removal of early voting~~  
 4 ~~ballots and may include a voter verification mechanism.~~

5 **B.** In addition **to meeting any applicable certification standards**, any  
 6 voting system or system component procured or used in the state must have been  
 7 certified according to the voluntary voting system guidelines developed and  
 8 maintained by the United States Election Assistance Commission by a voting system  
 9 test laboratory accredited by the United States Election Assistance Commission. This  
 10 certificate, together with any relevant reports, drawings, and photographs, shall be  
 11 a public record.

12 **BC.** The secretary of state ~~may~~ **shall** employ **qualified** experts to assist him  
 13 in making the examination provided for in this Section. The expenses of the services  
 14 of such experts, not to exceed a total of five hundred dollars, shall be paid prior to  
 15 the examination by the person requesting examination of the voting system or system  
 16 component. Experts employed in the examination shall sign the certificate of  
 17 approval made by the secretary of state. No voting system or system component shall  
 18 be used at any election which has not been approved by the secretary of state as  
 19 provided in this Section.

20 §1362. Method of procuring voting systems or system components; parts and  
 21 supplies; and of contracting for the maintenance of voting machines

22 A.~~(1)~~ All voting systems or system components used in this state shall be  
 23 procured by the secretary of state, **in accordance with the specifications**  
 24 **established by the Voting System Technology Commission as provided in R.S.**  
 25 **18:1362.1**, out of state funds appropriated for that purpose, on the basis of a  
 26 competitive request for proposals process or public bids submitted to the secretary  
 27 of state in accordance with ~~specifications prepared by him~~ **the provisions of the**  
 28 **Louisiana Procurement Code**. ~~The specifications may require~~ **Required**  
 29 **specifications shall include** tests and examinations of the operation of the voting

1 systems or system components, and the secretary of state, for that purpose, ~~may~~ **shall**  
 2 employ experts to **conduct these examinations and** report thereon and charge the  
 3 expense thereof to the responders or bidders **the results thereof to the Voting**  
 4 **System Technology Commission. The expenses of the services of these experts**  
 5 **shall not exceed five hundred dollars and shall be paid by the vendor that seeks**  
 6 **to have its system certified for consideration.** ~~Advertisement and letting of~~  
 7 ~~contracts for~~ **In every respect,** the procurement of voting systems or system  
 8 components shall be in accordance with the Louisiana Procurement Code ~~contained~~  
 9 ~~in Chapter 17 of Title 39 of the Louisiana Revised Statutes of 1950.~~

10 (2) ~~Notwithstanding any provision of law to the contrary, particularly the~~  
 11 ~~provisions of Chapter 17 of Title 39 of the Louisiana Revised Statutes of 1950, the~~  
 12 ~~secretary of state is authorized to procure directly from the supplier, through the~~  
 13 ~~Department of State, voting systems or system components, parts, supplies, and other~~  
 14 ~~election paraphernalia and to contract with the manufacturer through the Department~~  
 15 ~~of State for the maintenance of the voting systems or system components.~~

16 \* \* \*

17 **§1362.1. Voting System Technology Commission; creation and organization;**  
 18 **duties and responsibilities**

19 **A.(1) The Voting System Technology Commission is created and**  
 20 **established within the Department of State for the purpose of evaluating and**  
 21 **selecting the type of voting system that shall be procured to replace the voting**  
 22 **system in use as necessary.**

23 **(2) The purpose of this commission is to further the preservation of**  
 24 **democracy by strengthening the state's commitment to maintaining the faith,**  
 25 **integrity, and trust in election, voting, and ballot-counting processes, to provide**  
 26 **the highest level of election security and functionality, and to provide greater**  
 27 **clarity, public transparency, and objectivity with respect to the selection of**  
 28 **voting equipment.**

29 **B. The Voting System Technology Commission shall be comprised of the**

1 following members:

2 (1) The commissioner of elections, or his designee.

3 (2) Two members of the House of Representatives, appointed by the  
4 speaker of the House of Representatives.

5 (3) Two members of the Senate, appointed by the president of the Senate.

6 (4) A representative from the office of the governor, appointed by the  
7 governor.

8 (5) The chairman of the Republican Party of Louisiana, or his designee.

9 (6) The chairman of the Democratic Party of Louisiana, or his designee.

10 (7) The chairman of the Joint Legislative Committee on the Budget, or  
11 his designee.

12 (8) The chief information officer of the office of technology services, or  
13 his designee.

14 (9) An expert on cyber security, appointed by the director of the office  
15 of technology services.

16 (10) The executive director of the Governor's Advisory Council on  
17 Disability Affairs, or his designee.

18 (11) The president of the board of the League of Women Voters of  
19 Louisiana, or his designee.

20 (12) The state director of Louisiana AARP, or his designee.

21 C. The chair of the commission shall be elected by a majority vote of the  
22 members and shall set the date, time, and place for all meetings. The  
23 commissioner of elections shall convene the initial meeting of the commission  
24 not later than September 1, 2021, and shall serve as the initial chair until a  
25 chairman is elected.

26 D. A majority of the members serving on the commission shall constitute  
27 a quorum to conduct official business. All actions of the commission shall  
28 require a majority vote of the quorum.

29 E. Members of the commission shall serve terms concurrent with the

1 governor. Members shall serve without compensation; however, legislative  
2 members of the commission shall receive the per diem and expenses as provided  
3 for legislators during attendance at legislative committees and from the same  
4 source.

5 F. The Department of State, office of state procurement, and office of  
6 technology services shall provide administrative staff and resources to the  
7 commission upon request.

8 G. The commission may request from the secretary of state or any other  
9 source any information it deems necessary to assist in making a  
10 recommendation regarding voting equipment.

11 H. The commission shall conduct a preliminary analysis of available  
12 voting systems and select up to three options for discussion during a public  
13 hearing or hearings to be held for the evaluation of which voting systems are  
14 most advantageous to the state based on functionality.

15 I. After conducting this public hearing or hearings, the commission shall  
16 determine the type of voting system to direct the secretary of state to submit for  
17 competitive solicitation in accordance with the provisions of the Louisiana  
18 Procurement Code.

19 J. The commission shall submit a report of its findings and conclusions  
20 to the governor, the president of the Senate, the speaker of the House of  
21 Representatives, the secretary of state, the Joint Legislative Committee on the  
22 Budget, the office of technology services, and the division of administration no  
23 later than December 1, 2021.

24 K. Upon receipt of the report, the secretary of state, working in  
25 conjunction with the office of state purchasing, shall develop a request for  
26 proposals based on the commission's recommendations. No later than thirty  
27 days prior to the issuance of the request for proposals, the secretary shall  
28 promulgate certification standards for the recommended system.

29 §1362.2. Voting System Technology Proposal Review Committee; membership;

1                    duties

2                    A. The Voting System Technology Proposal Review Committee is created  
3                    and established within the Department of State for the purpose of independently  
4                    reviewing any proposals received by the secretary of state in accordance with  
5                    the provisions of R.S. 18:1361.1.

6                    B.(1) The Voting Technology Proposal Review Committee shall be  
7                    comprised of the following members:

8                    (a) A faculty member from the college of engineering of a Louisiana  
9                    postsecondary education institution.

10                   (b) A member of the Louisiana State Bar Association.

11                   (c) An individual with at least five years of experience with training or  
12                   education in electronic voting systems and procedures and election security.

13                   (2) Committee members shall be appointed by the secretary of state  
14                   subject to consent of the chairs of the House Committee on House and  
15                   Governmental Affairs and Senate Committee on Senate and Governmental  
16                   Affairs and shall serve without compensation.

17                   (3) No more than two of the committee members shall be registered  
18                   members of the same political party, and all members shall attest to conduct an  
19                   impartial review and evaluation of the proposals.

20                   C. The committee shall investigate and publicly test the voting systems  
21                   proposed by the respondents to the request for proposals and may utilize  
22                   experts to assist in the investigation. Upon completion of the investigation, the  
23                   committee shall score each proposal according to the request for proposal  
24                   criteria, which shall ensure that all proposals are evaluated in a fair and  
25                   balanced manner and provide equal consideration for all potential vendors  
26                   without exception. The highest-scoring proposal shall receive the  
27                   recommendation of the committee. The recommendation shall be  
28                   communicated to the secretary of state, who shall accept the proposal selected  
29                   by the committee and submit the proposal to the chief procurement officer for

1 subsequent review, approval, or further inquiry in accordance with the  
2 Louisiana Procurement Code.

3 \* \* \*

4 §1364. Placement and sufficiency of voting machines and counting equipment for  
5 absentee by mail and early voting

6 A. The secretary of state shall consult with the Voting System Technology  
7 Commission at least once annually to determine the sufficiency of the voting  
8 machines and absentee by mail and early voting counting equipment necessary to  
9 conduct absentee by mail and early voting in an election, taking into consideration  
10 the technological capabilities of the voting system. He shall ensure that the number  
11 of voting machines and the absentee by mail and early voting counting equipment  
12 placed within a parish for an election is adequate and sufficient to process and count  
13 the absentee by mail and early voting ballots cast in the election within a reasonable  
14 period.

15 \* \* \*

16 Section 2. R.S. 36:744(O) and (P) are hereby enacted to read as follows:

17 §744. Transfer of boards, commissions, and agencies to the Department of State

18 \* \* \*

19 O. The Voting System Technology Commission (R.S. 18:1362.1) is placed  
20 within the Department of State and shall perform its powers, duties, functions,  
21 and responsibilities in the manner provided for agencies transferred in  
22 accordance with R.S. 36:801.1.

23 P. The Voting System Technology Proposal Review Committee (R.S.  
24 18:1362.2) is placed within the Department of State and shall perform its  
25 powers, duties, functions, and responsibilities in the manner provided for  
26 agencies transferred in accordance with R.S. 36:801.1.

27 \* \* \*

28 Section 3. R.S. 18:553.1, 1351(5), 1352(C), and 1365 are hereby repealed.

SB 221 Original

DIGEST  
2021 Regular Session

Hewitt

Present law defines both voting machines and electronic voting machines.

Proposed law consolidates this definition to "voting machine" only and removes references to "electronic voting machines" in present law.

Present law provides that the secretary of state may prescribe rules and regulations regarding the preparation and use of voting systems that shall be approved by the attorney general.

Proposed law requires the secretary of state to promulgate these rules in accordance with the Administrative Procedure Act and subject to legislative oversight and removes the requirement for approval by the attorney general.

Present law provides that the secretary of state is responsible for all matters involving the procurement, sales, transfers of voting systems and any affiliated bids or requests for proposals to purchase new voting systems.

Proposed law retains present law and additionally requires the secretary of state to perform these duties in coordination with the office of state procurement and develop certification standards for voting systems in accordance with the Administrative Procedure Act and subject to legislative oversight.

Present law provides that the secretary of state may examine any voting system or system component upon the request of a representative of the system's maker or supplier, and certify the system for use in the state if it meets criteria established in present law.

Proposed law provides that the secretary is required to examine and certify any voting system or system component upon request and must develop and adopt appropriate certification standards prior to soliciting bids for any new voting system.

Present law provides that the secretary of state may employ experts to assist with the examination of voting systems or system components.

Proposed law requires the secretary of state to employ such experts.

Present law provides all voting systems or system components shall be procured by the secretary of state on the basis of a competitive request for proposal or solicitation of public bids in accordance with specifications in present law that may require tests and examinations of operations of the voting system or system components.

Proposed law provides that the secretary of state must procure all voting systems or system components in accordance with specifications developed by a commission established in proposed law that mandate testing and examination of the voting system or system components.

Proposed law creates the Voting System Technology Commission to analyze available voting systems and issue a report to the secretary of state directing him on which type of voting system to solicit bids or requests for proposals.

Proposed law creates the Voting System Technology Proposal Review Committee to investigate and test the voting systems that meet the qualifications established by the Voting System Technology Commission and determine which voting system to direct the secretary

of state to pursue.

Present law provides that the secretary of state shall determine the sufficiency of voting machines and absentee by mail and early voting counting equipment necessary to conduct an election at his discretion.

Proposed law requires the secretary of state to evaluate the sufficiency of this equipment annually in consultation with the Voting Systems Technology Commission.

Present law provides that the secretary of state may utilize any procedure necessary to accommodate the use of paging direct record electronic voting machines for voting where possible.

Proposed law repeals present law.

Effective August 1, 2021.

(Amends R.S. 18:18(A)(7), 1351(13), 1353(B), (C)(intro para) and (C)(2), and (D), 1361, 1362(A), and 1364(A); adds R.S. 18:1362.1 and 1362.2 and 36:744(O) and (P); repeals R.S. 18:553.1, 1351(5), 1352(C), and 1365)
