EXPENDITURE EXPLANATION

There may be an indeterminable increase in SGF expenditures to the Department of Public Safety & Corrections - Corrections Services (DPS&C) if a person is convicted of submitting false statements and/or submitting false or altered documents in an unclaimed property claim. The exact fiscal impact of the passage of this legislation is indeterminable, since the legislation creates a new crime and it is not known how many individuals will be convicted of the crime. However, any offender sentenced to the custody of DPS&C increases SGF expenditures of \$26.39 per offender per day in adult local housing and \$67.36 per offender per day in a state facility.

Any offender convicted of this crime would cost DPS&C \$9,632 annually (\$26.39 per offender/day x 365 days) in adult local housing and \$24,586 annually (\$67.36 per offender/day x 365 days) in a state facility. The maximum time of imprisonment is five years; therefore, the maximum increase to the SGF would be \$48,160 (\$9,632 annually per offender X 5 years) in adult local housing and \$122,930 (\$24,586 annually per offender x 5 years) in a state facility.

REVENUE EXPLANATION

There may be an indeterminable increase in local funds revenue as a result of potential fines if a person is convicted of this new crime. The maximum fine is \$10,000 and the potential revenue will accrue to the local government entities.
