EXPENDITURE EXPLANATION

Proposed law will create a minimal expenditure impact to the Secretary of State (SOS) to provide annual training to members of the Parish Board of Election Supervisors. SOS will provide the annual training through written training guides and a training video. To implement the proposed law, SOS reports a total cost of \$9,220 SGF in FY 22 for developing and producing the training video (\$8,470) and training manuals (\$750). In subsequent fiscal years, SOS anticipates expenditures for only updating training manuals (\$750). SOS reports developing and producing a training video as well as preparing annual training manuals can be accomplished utilizing existing resources and budget authority.

Proposed law requires the Attorney General to approve all training prepared by the SOS. The Attorney General reports no impact on expenditures as a result of this measure.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
