**EXPENDITURE EXPLANATION**

This measure will provide for an expenditure reduction of \$220,000 for the Department of Health through the Medical Vendor Payments Program, and a corresponding expenditure increase of \$220,000 for the Board of Regents (BOR). The net effect to the state expenditures is \$0.

BOR will utilize the additional funds to purchase chest compression devices at an estimated cost of \$20,000 each on behalf of 11 public post-secondary education institutions. Requires each institution to maintain the device at athletic training facilities and transport the device to certain athletic events.

**REVENUE EXPLANATION**

There is no anticipated direct material effect on governmental revenues as a result of this measure.
