Establishes the Rare Disease Advisory Council within the Louisiana Department of Health

Proposed law establishes the Rare Disease Advisory Council within the Louisiana Department of Health. Proposed law provides that "rare disease" means any disease or condition that affects fewer than two hundred thousand persons in the United States. Proposed law provides that the council shall only serve in a resource capacity to any public and private agency located in this state that provides services for a person who has been diagnosed with a rare disease. Proposed law provides that the advisory council shall consist of 12 members. Proposed law provides that the advisory council shall hold its initial meeting no later than Oct. 1, 2021. Proposed law further provides that the council shall meet, at least, quarterly in a calendar year and at any other time as it deems necessary. Proposed law provides that an advisory council member shall not receive any compensation for serving on the advisory council.

EXPENDITURE EXPLANATION

The proposed legislation may result in an indeterminable, but minimal, increase in SGF expenditures associated with meal, mileage, and lodging expenses to attend meetings pursuant to state travel regulations.

This bill establishes the Rare Disease Advisory Council. The council consists of 12 members. The council members shall not receive compensation diem for their services or attendance at council meetings. However, to the extent that a member incurs travel expenses to attend meetings, the member may request reimbursement pursuant to state travel regulations. The bill indicates that there shall be a minimum of 4 meetings per year.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
