**EXPENDITURE EXPLANATION**

There may be an increase of SGF expenditures by the Department of Public Safety & Corrections - Corrections Services (DPS&C) to the extent the legislature passes the proposed measure, creates a Transitional Residential Pilot Program for female offenders and appropriates funds for the program. DPS&C reports that the pilot program would be contingent upon available Criminal Justice Reinvestment Initiative Funding.

Proposed law does not provide for the parameters of the Transitional Residential Pilot Program. Therefore, the expenditure impact is unknown until such time as the program has been developed by DPS&C and approved. The LFO assumes that any expenditure impact will be pursuant to legislative review, authorization and/or appropriation.

**REVENUE EXPLANATION**

There is no anticipated direct material effect on governmental revenues as a result of this measure.
