11 C. The department may, and if requested shall conduct a public hearing on
12 the environmental assessment statement in the parish where the facility is located.
13 Any public hearing on the environmental assessment statement, whether requested
14 or at the discretion of the department, may be combined with a public hearing on the
15 proposed permit. If the facility is located in more than one parish, the department
16 may conduct a single hearing to serve all the affected parishes in the vicinity of a
17 centrally located facility. Simultaneously with the submission of the statement to the
18 department, the applicant shall also submit copies of the statement to the local
19 governmental authority and designated public building where the facility is located,
20 at no cost to the local governmental authority or the designated public building.
