16 On page 5, after line 28, insert:

17 **§2157. Post-use polymers; management; use**  
18 **A. Post-use polymers, as defined in this Chapter, shall be managed as**  
19 **follows:**  
20 **(1) The storage of the post-use polymers prior to use shall not exceed**  
21 **reasonable time frames.**  
22 **(2) Where there is an analogous ingredient, the post-use polymers shall**  
23 **be managed in a manner consistent with the analogous ingredient or otherwise**  
24 **be adequately contained to prevent releases to the environment.**  
25 **(3) If there is no analogous ingredient, the post-use polymers shall be**  
26 **adequately contained to prevent releases to the environment.**  
27 **B. The post-use polymers shall provide a useful contribution to the**  
28 **production or manufacturing process or be used to produce a valuable product**  
29 **or intermediate. A contribution is useful if it contributes a valuable ingredient**  
30 **to the product or intermediate or is an effective substitute for a commercial**  
31 **product. The product or intermediate is valuable if either:**  
32 **(1) Post-use polymers are sold to a third party.**  
33 **(2) Post-use polymers are used as an effective substitute for a commercial**  
34 **product or as an ingredient or intermediate in an industrial process.**  
35 **C. The use of post-use polymers shall result in products that contain**  
36 **contaminants at levels that are comparable in concentration to or lower than**  
37 **those found in traditional products that are manufactured with post-use**  
38 **polymer products.**"
