Provides relative to the hotel and lodging exception permit. (8/1/21)

Proposed law provides that if an applicant and the applicant's establishment meet certain qualifications in present law, the applicant may be issued a permit exception for hotel and lodging establishments, which consists of sleeping rooms, cottages, or cabins. Proposed law provides the permit exception shall not: (1) Be utilized in place of a special event permit; (2) Exempt applicants from prior approval for any festivals and public events; (3) Be used as a prerequisite to apply for video poker machines; or (4) Apply to any change of ownership of the business, including changes to the owner of the applicant, whether in whole or in part. Any such change in ownership requires the exception permit to be void. Proposed law provides that an applicant shall submit written attestation, under penalty of perjury of all affiliated partners, members, officers, directors, and shareholders, and a notarized certification of eligibility on a form provided by the Office of Alcohol and Tobacco Control. Proposed law is effective 8/01/2021.
