DIGEST

SB 15 Reengrossed

2021 Regular Session

Milligan

<u>Present law</u> prohibits all of the following entities from purchasing telecommunications or video surveillance equipment as described in Section 889(a) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (National Defense Authorization Act) unless such equipment is from a manufacturer that is in compliance with this federal provision:

- (1) Public elementary, secondary, and postsecondary schools, institutions, and governing authorities.
- (2) Nonpublic elementary, secondary, and postsecondary schools, institutions, and governing authorities that receive state funds.
- (3) Proprietary schools that receive state funds.

<u>Proposed law</u> broadens <u>present law</u> to prohibit all agencies and certain educational entities of the state from procuring any prohibited telecommunications or video surveillance equipment or services as defined in proposed law.

<u>Present law</u> requires the vendor of such equipment to provide an affidavit that the equipment is from a manufacturer that is in compliance with such federal provisions. <u>Proposed law</u> retains <u>present law</u> and makes <u>present law</u> applicable to the procurement of telecommunications or video surveillance equipment or services by state agencies.

<u>Proposed law</u> defines "agency", "certain education entities", and "procure". Also defines "prohibited telecommunications or video surveillance equipment or services" to include all of the following:

- Telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation, or any subsidiary or affiliate of such entities, as described in Section 889(f)(3)(A) of the National Defense Authorization Act.
- (2) Video surveillance equipment or telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, Dahua Technology Company, or any subsidiary or affiliate of such entities, as described in Section 889(f)(3)(B) of the National Defense Authorization Act.
- (3) Telecommunications or video surveillance equipment or services produced or provided by an entity found to be owned, controlled, or otherwise connected to the government of the People's Republic of China, as described in Section 889(f)(3)(D) of the National Defense

Authorization Act.

- (4) Any product or equipment, regardless of manufacturer, containing as a component any equipment identified by Subparagraphs (1) through (3) above. This may include but is not limited to the following:
 - (a) Computers or other equipment containing a component which enables any form of network connectivity or telecommunications regardless of whether the equipment is regularly connected to a network.
 - (b) Building automation, environmental controls, access controls, or facility management, and monitoring systems.
 - (c) Voting machines, peripherals, and election systems.
- (5) Any services provided using any equipment identified by Subparagraphs (1) through (4) in this Subsection.

<u>Proposed law</u> provides that any procurement of prohibited telecommunications or video surveillance equipment or services or other procurement in violation of <u>proposed law</u> shall be void.

<u>Proposed law</u> repeals <u>present law</u> provision that with respect to the procurement of telecommunications systems or services, present law supersedes conflicting provisions of <u>present law</u>.

<u>Proposed law</u> requires the chief information officer to report to the Joint Legislative Committee on Technology by October 1 of each year regarding the operational readiness and procurement requirements of the state in cybersecurity.

<u>Proposed law</u> applies only to procurements initiated on or after August 1, 2021, by state agencies, certain educational entities, and their service providers.

Effective August 1, 2021.

(Amends R.S. 38:2237.1, R.S. 39:1753.1; adds R.S. 39:15.3(F) and 200(M); and repeals R.S. 39:1755(5))
