Bagley

Abstract: Authorizes nurse practitioners, clinical nurse specialists, and physician assistants to order home health services.

<u>Present law</u> provides that a home health agency shall provide home health care to the public under the order of a physician.

<u>Proposed law</u> deletes <u>present law</u> and states that a home health agency shall provide home health care to the public under the order of an authorized healthcare provider.

Proposed law defines "authorized healthcare provider".

<u>Present law</u> provides that home health agencies shall admit patients for skilled care only on the order of a physician.

<u>Proposed law</u> retains <u>present law</u> and clarifies who may submit an order to admit patients for skilled care <u>from</u> a physician <u>to</u> an authorized healthcare provider.

<u>Present law</u> provides that an administrator of a home health agency shall have three years management experience in healthcare delivery service and meets one of the following conditions:

- (1) Is a college graduate with a bachelor's degree.
- (2) Has had three additional years of documented experience in a health care delivery service.
- (3) Has an associate degree.
- (4) Has had six additional years of documented administrative and managerial experience in a governmental or corporate setting other than in a health care delivery service, having supervised at least 20 employees, and handled administration of the daily operations of the organization, including the budget process. Such person shall have held no more than three positions in said six-year time period.

<u>Proposed law</u> deletes <u>present law</u> and adds that an administrator of a home health agency shall have three years management experience in health care delivery service and meet the following conditions:

- (1) Is employed as an administrator on or after Jan. 13, 2018, and is a college graduate with a bachelor's degree.
- (2) Is employed as an administrator prior to Jan. 13, 2018, and has had three additional years of documented experience in a healthcare delivery service.
