Abstract: Allows teachers or other employees employed by a city or parish school board under a collective bargaining agreement to have dues for an organization for teacher or school employees withheld from their paychecks.

Present law allows teachers or other employees of a school board to have dues for an organization of teachers or other school employees withheld from their paychecks. Proposed law retains present law.

Present law exempts school boards operating under the terms of a collective bargaining agreement applicable to teachers employed by the board. Proposed law repeals this exemption.
