HOUSE BILL NO. 1

BY REPRESENTATIVES ZERINGUE, BACALA, CARRIER, GARY CARTER,  
FREEMAN, KERNER, LARVADAIN, MCFARLAND, SCHEXNAYDER, AND  
THOMPSON

APPROPRIATIONS: Provides for the ordinary operating expenses of state government for  
Fiscal Year 2021-2022

1 AN ACT

2 Making annual appropriations for Fiscal Year 2021-2022 for the ordinary expenses of the  
3 executive branch of state government, pensions, public schools, public roads, public  
4 charities, and state institutions and providing with respect to the expenditure of said  
5 appropriations.

6 Be it enacted by the Legislature of Louisiana:

7 Section 1. The appropriations in this Act from state revenue shall be payable out of the  
8 sources specified and shall be limited by the provisions of Article VII, Section 10(D) of the  
9 Louisiana Constitution.

10 Section 2.A. All money from federal, interagency, statutory dedications, or self-  
11 generated revenues shall be available for expenditure in the amounts herein appropriated.  
12 Any increase in such revenues shall be available for allotment and expenditure by an agency  
13 on approval of an increase in the appropriation by the commissioner of administration and  
14 the Joint Legislative Committee on the Budget. Any increase in such revenues for an agency  
15 without an appropriation from the respective revenue source shall be incorporated into the  
16 agency's appropriation on approval of the commissioner of administration and the Joint  
17 Legislative Committee on the Budget. In the event that these revenues should be less than  
18 the amount appropriated, the appropriation shall be reduced accordingly. To the extent that  
19 such funds were included in the budget on a matching basis with state funds, a corresponding  
20 decrease in the state matching funds may be made. Any federal funds which are classified  
21 as disaster or emergency may be expended prior to approval of a BA-7 by the Joint

1 Legislative Committee on the Budget upon the secretary's certifying to the governor that any  
2 delay would be detrimental to the state. The Joint Legislative Committee on the Budget  
3 shall be notified in writing of such declaration and shall meet to consider such action, but  
4 if it is found by the committee that such funds were not needed for an emergency  
5 expenditure, such approval may be withdrawn and any balance remaining shall not be  
6 expended.

7 B. Notwithstanding any provision of law or this Act to the contrary, no funds herein  
8 appropriated or authorized later through a BA-7 in any means of finance may be used for a  
9 contact tracing program that mandates participation by an individual or business entity in the  
10 state of Louisiana.

11 Section 3.A. Notwithstanding any other law to the contrary, the functions of any  
12 department, agency, program, or budget unit of the executive branch, except functions in  
13 departments, agencies, programs, or budget units of other statewide elected officials, may  
14 be transferred to a different department, agency, program, or budget unit for the purpose of  
15 economizing the operations of state government by executive order of the governor.  
16 Provided, however, that each such transfer must, prior to implementation, be approved by  
17 the commissioner of administration and Joint Legislative Committee on the Budget. Further,  
18 provided that no transfers pursuant to this Section shall violate the provisions of Title 36,  
19 Organization of the Executive Branch of State Government.

20 B. In the event that any agency, budget unit, program, or function of a department is  
21 transferred to any other department, agency, program, or budget unit by other Act or Acts  
22 of the legislature, the commissioner of administration shall make the necessary adjustments  
23 to appropriations through the notification of appropriation process, or through approval of  
24 mid-year adjustments. All such adjustments shall be in strict conformity with the provisions  
25 of the Act or Acts which provide for the transfers.

26 C. Notwithstanding any other law to the contrary and before the commissioner of  
27 administration shall authorize the purchase of any luxury or full-size motor vehicle for  
28 personal assignment by a statewide elected official other than the governor and lieutenant  
29 governor, such official shall first submit the request to the Joint Legislative Committee on  
30 the Budget for approval. "Luxury or full-sized motor vehicle" shall mean or refer to such

1 vehicles as defined or used in rules or guidelines promulgated and implemented by the  
2 Division of Administration.

3 D. Notwithstanding any provision of law to the contrary, each agency which has  
4 contracted with outside legal counsel for representation in an action against another agency,  
5 shall submit a detailed report of all litigation costs incurred and payable to the outside  
6 counsel to the commissioner of administration, the legislative committee charged with  
7 oversight of that agency, and the Joint Legislative Committee on the Budget. The report  
8 shall be submitted on a quarterly basis, each January, April, July, and October, and shall  
9 include all litigation costs paid and payable during the prior quarter. For purposes of this  
10 Subsection, the term "litigation expenses" shall mean court costs and attorney fees of the  
11 agency and of the other party if the agency was required to pay such costs and fees. The  
12 commissioner of administration shall not authorize any payments for any such contract until  
13 such report for the prior quarter has been submitted.

14 E. Notwithstanding any provision of law to the contrary, each agency may use a portion  
15 of its appropriations contained in this Act for the expenditure of funds for salaries and  
16 related benefits for smoking cessation wellness programs, including pharmacotherapy and  
17 behavioral counseling for state employees of the agency.

18 Section 4. Each schedule as designated by a five-digit number code for which an  
19 appropriation is made in this Act is hereby declared to be a budget unit of the state.

20 Section 5.A. The program descriptions, account descriptions, general performance  
21 information, and the role, scope, and mission statements of postsecondary education  
22 institutions contained in this Act are not part of the law and are not enacted into law by  
23 virtue of their inclusion in this Act.

24 B. All key and supporting performance objectives and indicators for the departments,  
25 agencies, programs, and budget units contained in the Governor's Executive Budget  
26 Supporting Document shall be adjusted by the commissioner of administration to reflect the  
27 funds appropriated therein. The commissioner of administration shall report on these  
28 adjustments to the Joint Legislative Committee on the Budget by August 15 of the current  
29 fiscal year.

1 C. The discretionary and nondiscretionary allocations if contained in this Act are  
2 provided in accordance with R.S. 39:51(A)(3) and are to provide information to assist in  
3 legislative decision making and shall not be construed to limit the expenditures or means of  
4 financing of an agency, budget unit, or department to the discretionary or nondiscretionary  
5 amounts contained in this Act.

6 D. The expenditure category allocations contained in this Act are provided for  
7 informational purposes only from the Governor's Executive Budget supporting documents  
8 in accordance with R.S. 39:51(C) and are to provide information to assist in legislative  
9 decision making and shall not be construed to limit the expenditures or means of financing  
10 of an agency, budget unit, or department to the expenditure category amounts contained in  
11 this Act. The commissioner of administration shall notify the Joint Legislative Committee  
12 on the Budget of the initial allocation of expenditures and means of financing for the  
13 personal services expenditure category at the same time he reports initial expenditure  
14 allocations as required by R.S. 39:57.1. Any subsequent change to the allocation of  
15 expenditures or means of financing for the personal services expenditure category shall  
16 require prior approval of the commissioner of administration and the Joint Legislative  
17 Committee on the Budget.

18 E. The incentive programs, expenditures, and benefits contained in this Act are provided  
19 in accordance with R.S. 39:51(A)(2) and are not included as, nor counted towards, the  
20 operating expenses of the department, agency, or authority.

21 F. The prior year budget and positions contained in this Act are provided in accordance  
22 with R.S. 39:51 and are to provide information to assist in legislative decision making and  
23 shall not be construed as additional expenditures, means of financing, or positions of an  
24 agency, budget unit, or department.

25 Section 6.A. Unless expressly provided in this Act, funds cannot be transferred between  
26 departments or schedules receiving appropriations. However, any unencumbered funds  
27 which accrue to an appropriation within a department or schedule of this Act due to policy,  
28 programmatic, or cost-saving/avoidance measures may, upon approval by the commissioner  
29 of administration and the Joint Legislative Committee on the Budget, be transferred to any  
30 other appropriation within that same department or schedule. Each request for the transfer

1 of funds pursuant to this Section shall include full written justification. The commissioner  
2 of administration, upon approval by the Joint Legislative Committee on the Budget, shall  
3 have the authority to transfer between departments funds associated with lease agreements  
4 between the state and the Office Facilities Corporation. The commissioner of administration  
5 shall, in accordance with R.S. 15:827.3, transfer between departments or schedules of this  
6 Act any unencumbered funds which accrue to an appropriation due to the prior year savings  
7 achieved as a result of legislation relative to the criminal justice system enacted in the 2017  
8 Regular Session of the Legislature.

9 B. In conjunction with the continuing assessment of the existing staff, assets, contracts,  
10 and facilities of each department, agency, program or budget unit's information technology  
11 resources and procurement resources, upon completion of this assessment and to the extent  
12 optimization of these resources will result in the projected cost savings through staff  
13 reductions, realization of operational efficiencies, cost avoidance, and elimination of asset  
14 duplication, the commissioner of administration is authorized to transfer the functions,  
15 positions, assets, and funds from any other department, agency, program, or budget units  
16 related to these optimizations to a different department. The provisions of this Subsection  
17 shall not apply to the Department of Culture, Recreation and Tourism, or any agency  
18 contained in Schedule 04, Elected Officials, of this Act.

19 C. The commissioner of administration shall review all existing leases for office and  
20 warehouse space and compare the rent per square foot of such space to the market rent of  
21 similar space in the same market. The commissioner of administration is authorized and  
22 directed to renegotiate all leases that are in excess of the market rent to bring the rent in line  
23 with the market rent. The commissioner of administration, upon approval of the Joint  
24 Legislative Committee on the Budget, shall have the authority to transfer between  
25 departments funds from any savings from renegotiated leases.

26 Section 7. The state treasurer is hereby authorized and directed to use any available  
27 funds on deposit in the state treasury to complete the payment of General Fund  
28 appropriations for the current fiscal year. In order to conform to the provisions of P.L. 101-  
29 453, the Cash Management Improvement Act of 1990, and in accordance with the agreement  
30 executed between the state and Financial Management Services, a division of the U.S.

1 Treasury, the state treasurer is hereby authorized to release checks drawn on federally funded  
2 appropriations prior to the receipt of funds from the U.S. Treasury.

3 Section 8.A.(1) The figures in parentheses following the designation of a program are  
4 the total authorized positions and authorized other charges positions for that program. If  
5 there are no figures following a department, agency, or program, the commissioner of  
6 administration shall have the authority to set the number of positions.

7 (2) The commissioner of administration, upon approval of the Joint Legislative  
8 Committee on the Budget, shall have the authority to transfer positions between departments,  
9 agencies, or programs or to increase or decrease positions and associated funding necessary  
10 to effectuate such transfers.

11 (3) The number of authorized positions and authorized other charges positions approved  
12 for each department, agency, or program as a result of the passage of this Act may be  
13 increased by the commissioner of administration in conjunction with the transfer of  
14 functions or funds to that department, agency, or program when sufficient documentation  
15 is presented and the request deemed valid.

16 (4) The number of authorized positions and authorized other charges positions approved  
17 in this Act for each department, agency, or program may also be increased by the  
18 commissioner of administration when sufficient documentation of other necessary  
19 adjustments is presented and the request is deemed valid. The total number of such positions  
20 so approved by the commissioner of administration may not be increased in excess of three  
21 hundred fifty. However, any request which reflects an annual aggregate increase in excess  
22 of twenty-five positions for any department, agency, or program must also be approved by  
23 the Joint Legislative Committee on the Budget.

24 B. Orders from the Civil Service Commission or its designated referee which direct an  
25 agency to pay attorney fees for a successful appeal by an employee may be paid out of an  
26 agency's appropriation from the expenditure category professional services; provided,  
27 however, that an individual expenditure pursuant to this Subsection may not exceed \$1,500  
28 in accordance with Civil Service Rule 13.35(a).

29 C. The budget request of any agency with an appropriation level of thirty million dollars  
30 or more shall include, within its existing table of organization, positions which perform the

1 function of internal auditing, including the position of a chief audit executive. The chief  
2 audit executive shall be responsible for ensuring that the internal audit function adheres to  
3 the Institute of Internal Auditors, International Standards for the Professional Practice of  
4 Internal Auditing. The chief audit executive shall maintain organizational independence in  
5 accordance with these standards and shall have direct and unrestricted access to the  
6 commission, board, secretary, or equivalent head of the agency. The chief audit executive  
7 shall certify to the commission, board, secretary, or equivalent head of the agency that the  
8 internal audit function conforms to the Institute of Internal Auditors, International Standards  
9 for the Professional Practice of Internal Auditing.

10 D. In the event that any cost assessment allocation proposed by the Office of Group  
11 Benefits becomes effective during the current fiscal year, each budget unit contained in this  
12 Act shall pay out of its appropriation an amount no less than 75% of total premiums for all  
13 active employees and those retirees with Medicare in accordance with R.S. 42:851(D)(1) for  
14 the state basic health insurance indemnity program.

15 E. In the event that any cost allocation or increase recommended by the Public  
16 Retirement Systems' Actuarial Committee through adoption of a valuation submitted to the  
17 Joint Legislative Committee on the Budget and the House and Senate committees on  
18 retirement becomes effective before or during the current fiscal year, each budget unit shall  
19 pay out of its appropriation funds necessary to satisfy the requirements of such increase.

20 Section 9. In the event the governor shall veto any line item expenditure and such veto  
21 shall be upheld by the legislature, the commissioner of administration shall withhold from  
22 the department's, agency's, or program's funds an amount equal to the veto. The  
23 commissioner of administration shall determine how much of such withholdings shall be  
24 from the state General Fund.

25 Section 10.A. Pursuant to Article IV, Section 5(G)(2) and Article VII, Section 10(F) of  
26 the Louisiana constitution, if at any time during the current fiscal year the official budget  
27 status report indicates that appropriations will exceed the official revenue forecast, the  
28 governor shall have full power to reduce appropriations in accordance with R.S. 39:75. The  
29 governor shall have the authority to make adjustments to other means of financing and  
30 positions necessary to balance the budget as authorized by R.S. 39:75(C).

1 B. The governor shall have the authority within any month of the fiscal year to direct  
2 the commissioner of administration to disapprove warrants drawn upon the state treasury for  
3 appropriations contained in this Act which are in excess of amounts approved by the  
4 governor in accordance with R.S. 39:74.

5 C. The governor may also, and in addition to the other powers set forth herein, issue  
6 executive orders in a combination of any of the foregoing means for the purpose of  
7 preventing the occurrence of a deficit.

8 Section 11. Notwithstanding the provisions of Section 2 of this Act, the commissioner  
9 of administration shall make such technical adjustments as are necessary in the interagency  
10 transfers means of financing and expenditure categories of the appropriations in this Act to  
11 result in a balance between each transfer of funds from one budget unit to another budget  
12 unit in this Act. Such adjustments shall be strictly limited to those necessary to achieve this  
13 balance and shall in no way have the effect of changing the intended level of funding for a  
14 program or budget unit of this Act.

15 Section 12.A. For the purpose of paying appropriations made herein, all revenues due  
16 the state in the current fiscal year shall be credited by the collecting agency to the current  
17 fiscal year provided such revenues are received in time to liquidate obligations incurred  
18 during the current fiscal year.

19 B. A state board or commission shall have the authority to expend only those funds that  
20 are appropriated in this Act, except those boards or commissions which are solely supported  
21 from private donations or which function as port commissions, levee boards or professional  
22 and trade organizations.

23 Section 13.A. Notwithstanding any other law to the contrary, including any provision  
24 of any appropriation act or any capital outlay act, no constitutional requirement or special  
25 appropriation enacted at any session of the legislature, except the specific appropriations acts  
26 for the payment of judgments against the state, of legal expenses, and of back supplemental  
27 pay, the appropriation act for the expenses of the judiciary, and the appropriation act for  
28 expenses of the legislature, its committees, and any other items listed therein, shall have  
29 preference and priority over any of the items in the General Appropriation Act or the Capital  
30 Outlay Act for any fiscal year.

1 B. In the event that more than one appropriation is made in this Act which is payable  
2 from any specific statutory dedication, such appropriations shall be allocated and distributed  
3 by the state treasurer in accordance with the order of priority specified or provided in the law  
4 establishing such statutory dedication and if there is no such order of priority such  
5 appropriations shall be allocated and distributed as otherwise provided by any provision of  
6 law including this or any other act of the legislature appropriating funds from the state  
7 treasury.

8 C. In accordance with R.S. 49:314(B)(1) and (2) appropriations from the Transportation  
9 Trust Fund in the General Appropriation Act and the Capital Outlay Act shall have equal  
10 priority. In the event revenues being received in the state treasury and being credited to the  
11 fund which is the source of payment of any appropriation in such acts are insufficient to fully  
12 fund the appropriations made from such fund source, the treasurer shall allocate money for  
13 the payment of warrants drawn on such appropriations against such fund source during the  
14 fiscal year on the basis of the ratio which the amount of such appropriation bears to the total  
15 amount of appropriations from such fund source contained in both acts.

16 Section 14. Pay raises or supplements provided for by this Act shall in no way supplant  
17 any local or parish salaries or salary supplements to which the personnel affected would be  
18 ordinarily entitled.

19 Section 15. Any unexpended or unencumbered reward monies received by any state  
20 agency during prior fiscal years pursuant to the Exceptional Performance and Efficiency  
21 Incentive Program may be carried forward for expenditure from the prior fiscal year to the  
22 current fiscal year, in accordance with the respective resolution granting the reward. The  
23 commissioner of administration shall implement any internal budgetary adjustments  
24 necessary to effectuate incorporation of these monies into the respective agencies' budgets  
25 for the current fiscal year, and shall provide a summary list of all such adjustments to the  
26 Joint Legislative Committee on the Budget by August 31 of the current fiscal year.

27 Section 16. Should any section, subsection, clause, sentence, phrase, or part of the Act  
28 for any reason be held, deemed or construed to be unconstitutional or invalid, such decisions  
29 shall not affect the remaining provisions of the Act, and the legislature hereby declares that  
30 it would have passed the Act, and each section, subsection, clause, sentence, phrase, or part

1 thereof, irrespective of the fact that one or more of the sections, subsections, clauses,  
2 sentences, phrases, or parts thereof, is declared unconstitutional or invalid. To this end, the  
3 provisions of this Act are hereby declared severable.

4 Section 17.A. All BA-7 budget transactions, including relevant changes to performance  
5 information, submitted in accordance with this Act or any other provisions of law which  
6 require approval by the Joint Legislative Committee on the Budget or joint approval by the  
7 commissioner of administration and the Joint Legislative Committee on the Budget shall be  
8 submitted to the commissioner of administration, Joint Legislative Committee on the  
9 Budget, and Legislative Fiscal Office a minimum of sixteen working days prior to  
10 consideration by the Joint Legislative Committee on the Budget. Each submission must  
11 include full justification of the transaction requested, but submission in accordance with this  
12 deadline shall not be the sole determinant of whether the item is actually placed on the  
13 agenda for a hearing by the Joint Legislative Committee on the Budget. Transactions not  
14 submitted in accordance with the provisions of this Section shall be considered by the  
15 commissioner of administration and Joint Legislative Committee on the Budget only when  
16 extreme circumstances requiring immediate action exist.

17 B. Notwithstanding any contrary provision of this Act or any contrary provision of law,  
18 no funds appropriated by this Act shall be released or provided to any recipient of an  
19 appropriation made in this Act if, when, and for as long as, the recipient fails or refuses to  
20 comply with the provisions of R.S. 24:513. No recipient shall be considered to fail or refuse  
21 to comply with the provisions of R.S. 24:513 pursuant to this Section during any extension  
22 of time granted by the legislative auditor or the Legislative Audit Advisory Council. The  
23 legislative auditor may grant a recipient, for good cause shown, an extension of time to  
24 comply with the provisions of R.S. 24:513. The Legislative Audit Advisory Council may  
25 grant additional extensions of time to comply with the provisions of R.S. 24:513 for recipient  
26 entities of an appropriation contained in this Act with recommendation by the legislative  
27 auditor pursuant to R.S. 39:72.1.

28 Section 18.A. Except for the conditions set forth in Subsection B of this Section, the  
29 following sums or so much thereof as may be necessary are hereby appropriated out of any  
30 monies in the state treasury from the sources specified; from federal funds payable to the

1 state by the United States Treasury; or from funds belonging to the State of Louisiana and/or  
2 collected by boards, commissions, departments, and agencies thereof, for purposes specified  
3 herein for the current fiscal year. Funds appropriated to auxiliary accounts herein shall be  
4 from prior and current year collections, with the exception of state General Fund (Direct).  
5 The commissioner of administration is hereby authorized and directed to correct the means  
6 of financing and expenditures for any appropriation contained in Schedule 20-901 Sales Tax  
7 Dedications to reflect current law enacted in any session of the Legislature which affects any  
8 such means of financing or expenditure. Further provided with regard to auxiliary funds,  
9 that excess cash funds, excluding cash funds arising from working capital advances, shall  
10 be invested by the state treasurer with the interest proceeds therefrom credited to each  
11 account and not transferred to the state General Fund. This Act shall be subject to all  
12 conditions set forth in Title 39 of the Louisiana Revised Statutes of 1950 as amended.

13 B.(1) No funds appropriated in this Act shall be transferred to a public or quasi-public  
14 agency or entity which is not a budget unit of the state unless the intended recipient of those  
15 funds submits, for approval, a comprehensive budget to the legislative auditor and the  
16 transferring agency showing all anticipated uses of the appropriation, an estimate of the  
17 duration of the project, and a plan showing specific goals and objectives for the use of such  
18 funds, including measures of performance. In addition, and prior to making such  
19 expenditure, the transferring agency shall require each recipient to agree in writing to  
20 provide written reports to the transferring agency at least every six months concerning the  
21 use of the funds and the specific goals and objectives for the use of the funds. In the event  
22 the transferring agency determines that the recipient failed to use the funds set forth in its  
23 budget within the estimated duration of the project or failed to reasonably achieve its  
24 specific goals and objectives for the use of the funds, the transferring agency shall demand  
25 that any unexpended funds be returned to the state treasury unless approval to retain the  
26 funds is obtained from the division of administration and the Joint Legislative Committee  
27 on the Budget. Each recipient shall be audited in accordance with R.S. 24:513. If the  
28 amount of the public funds received by the provider is below the amount for which an audit  
29 is required under R.S. 24:513, the transferring agency shall monitor and evaluate the use of  
30 the funds to ensure effective achievement of the goals and objectives. The transferring

1 agency shall forward to the legislative auditor, the division of administration, and the Joint  
2 Legislative Committee on the Budget a report showing specific data regarding compliance  
3 with this Section and collection of any unexpended funds. This report shall be submitted no  
4 later than May 1 of the current fiscal year.

5 (2) Transfers to public or quasi-public agencies or entities that have submitted a budget  
6 request to the division of administration in accordance with Part II of Chapter 1 of Subtitle  
7 1 of Title 39 of the Louisiana Revised Statutes of 1950 and transfers authorized by specific  
8 provisions of the Louisiana Revised Statutes of 1950 and the Constitution of the State of  
9 Louisiana to local governing authorities shall be exempt from the provisions of this  
10 Subsection.

11 (3) Notwithstanding any other provision of law or this Act to the contrary, if the name  
12 of an entity subject to this Subsection is misspelled or misstated in this Act or any other Act,  
13 the state treasurer may pay the funds appropriated to the entity without obtaining the  
14 approval of the Joint Legislative Committee on the Budget, but only after the entity has  
15 provided proof of its correct legal name to the state treasurer and transmitted a copy to the  
16 staffs of the House Committee on Appropriations and the Senate Committee on Finance.

17 C. The Louisiana Department of Health shall continue to provide for immunizations in  
18 those parish health units which receive any funding from local governmental sources.

19 D. All departments containing appropriations out of means of financing designated as  
20 coming from prior and current year collections shall report all prior year balances to the Joint  
21 Legislative Committee on the Budget at its first meeting held after October 15 of the current  
22 fiscal year.

23 Section 19. All departments receiving appropriations in this Act shall spend all other  
24 means of finance prior to spending any State General Fund (Direct), whenever possible, and  
25 shall reverse warrant any State General Fund (Direct) if any other means of finance becomes  
26 available prior to the end of the fiscal year to the greatest extent permissible by law.

27 Section 20.A. Notwithstanding any provision of law or this Act to the contrary, the  
28 commissioner of administration shall submit a monthly status report of all federal funds  
29 related to COVID-19 to the Joint Legislative Committee on the Budget. The form and

1 content of the report shall be determined by the Division of Administration and approved  
2 by the Joint Legislative Committee on the Budget.

3 B. Notwithstanding any provision of law or this Act to the contrary, the Division of  
4 Administration shall submit a monthly report to the Joint Legislative Committee on the  
5 Budget detailing each agency's prior calendar month expenditures, by category. The report  
6 shall note if an expense is a regular monthly expense, a quarterly expense, an annual  
7 expense, or a one-time expense.

 40 Department of Health is authorized to transfer, with the approval of the commissioner of  
 41 administration through midyear budget adjustments, funds and authorized positions from one  
 42 budget unit to any other budget unit and/or between programs within any budget unit within  
 43 this schedule. Such transfers shall be made solely to provide for the effective delivery of  
 44 services by the department, promote efficiencies and enhance the cost effective delivery of  
 45 services. Not more than six million dollars may be transferred pursuant to this authority. The  
 46 secretary and the commissioner shall promptly notify the Joint Legislative Committee on the  
 47 Budget of any such transfer.

1 Notwithstanding any provision of law to the contrary, the department shall not be under any  
 2 obligation to perform any of the services as described in R.S. 46:2116, et seq., and may  
 3 utilize other revenue sources to provide these services if available. Provided, further, that any  
 4 additional funding for state plan personal assistance services may be used as state match for  
 5 available federal funds.

6 Notwithstanding any provision of law to the contrary, no hospital supplemental payment  
 7 methodology plan other than those in effect July 1, 2020 shall be submitted to the Centers  
 8 for Medicare and Medicaid Services without prior review and approval by the Joint  
 9 Legislative Committee on the Budget. The department shall additionally include a list of all  
 10 hospitals with the dollar amount each is projected to receive under the proposed  
 11 methodology and the percentage of the average commercial rate each hospital is projected  
 12 to receive in total, summarized by hospital system. Also, the department shall include a

 20 financing options utilizing hospital provider fees, intergovernmental transfers, certified  
 21 public expenditures, and other means necessary to finance the Louisiana Medicaid hospital  
 22 reimbursement system. The hospital reimbursement options shall be formulated publicly  
 23 with proper input from individual hospitals. Additionally, all options shall be accountable

1 Expenditure Controls:

2 Provided, however, that the Louisiana Department of Health may, to control expenditures  
3 to the level appropriated herein for the Medical Vendor Payments program, negotiate  
4 supplemental rebates for the Medicaid pharmacy program in conjunction with the preferred  
5 drug list. In these negotiations, the preferred drug list may be adjusted to limit brand name  
6 drug products in each therapeutic category while ensuring appropriate access to medically  
7 necessary medication.

8 Provided, however, that the Louisiana Department of Health shall continue with the  
9 implementation of sustainability strategies to control the costs of the  
10 Intellectual/Developmental Disabilities Home and Community Based Waivers in order that  
11 the continued provision of Community Based Waivers for the citizens with developmental  
12 disabilities is not jeopardized.

13 Public provider participation in financing:

14 The Louisiana Department of Health, shall only make Title XIX (Medicaid) claim payments  
15 to non-state public hospitals, that certify matching funds for their Title XIX claim payments  
16 and provide certification of incurred uncompensated care costs (UCC) that qualify for public  
17 expenditures which are eligible for federal financial participation under Title XIX of the  
18 Social Security Act to the department. The certification for Title XIX claims payment match  
19 and the certification of UCC shall be in a form satisfactory to the department and provided  
20 to the department no later than October 1, 2021. Non-state public hospitals that fail to make  
21 such certifications by October 1, 2021, may not receive Title XIX claim payments or any  
22 UCC payments until the department receives the required certifications. The department may  
23 exclude certain non-state public hospitals from this requirement in order to implement  
24 alternative supplemental payment initiatives or alternate funding initiatives, or if a hospital  
25 that is solely owned by a city or town has changed its designation from a non-profit private  
26 hospital to a non-state public hospital between January 1, 2010, and June 30, 2014.

27 In order for a hospital to receive any Medicaid payments in addition to inpatient and  
28 outpatient claims payments, the hospital must provide to the department, claim level data for  
29 Title XIX, XXI, and uninsured clients as specified by the department.
