HB 625 Engrossed

2021 Regular Session

Deshotel

Abstract: Modifies the composition of the commissioners, the selection process, and the terms of Avoyelles Parish Port Commissioners.

Present law establishes a commission, known as the Avoyelles Parish Port Commission, to be composed of nine members. Requires three members be minorities, one member be domiciled in each police jury district to serve without compensation, and requires the appointment be by Senate confirmation.

Proposed law changes the number of commissioners from nine to five and changes the number of required minority members from three to one. Proposed law modifies present law to no longer require one member be domiciled in each police jury district nor appointments be subject to Senate confirmation.

Present law requires each member of the police jury of Avoyelles Parish to submit a list of three nominees from his respective district to the legislators representing House District 28, Senate District 28, and Senate District 32, and requires a majority of the legislators to appoint one nominee from each list of nominees to serve as commissioners.

Proposed law modifies present law by requiring the police jury to select two commissioners, the Town of Simmesport to select one commissioner, the representative of House District 28 to select one commissioner, and the senators representing Senate District 28 and Senate District 32 to collectively select one commissioner.

Present law requires any commissioners appointed to serve a term of four years.

Proposed law requires the commissioners to be appointed every four years and serve staggered terms as follows:

- (1) Two members will serve a term of two years.
- (2) Two members will serve a term of three years.
- (3) One members will serve a term of four years.

Proposed law requires the terms of the respective members to be determined by a random selection at the first meeting of the board. Proposed law requires the term end on Jan. 31st of the termed year,

the selection process to commence on Feb. 1st, and the selection process to be completed within 30 days.

Effective upon signature of the governor or lapse of time for gubernatorial action.
