Geymann

Abstract: Provides relative to claims settlement practices.

Proposed law provides that an insurer shall issue a copy of the insurer's field adjuster report, relative to the insured's property damage claim, to the insured within 15 days of receiving a request for such from the insured.

Present law provides that failure to make payment within 30 days after receipt of such satisfactory written proofs and demand therefor or failure to make a written offer to settle any property damage claim, within 30 days after receipt of satisfactory proofs of loss of that claim, or failure to make such payment within 30 days after written agreement or settlement, shall subject the insurer to a penalty of 50% damages on the amount found to be due from the insurer to the insured, or \$1,000, whichever is greater, or in the event a partial payment or tender has been made, 50% of the difference between the amount paid or tendered and the amount found to be due as well as reasonable attorney fees and costs.

Proposed law retains present law but increases the penalty in present law for failure to make a payment or written offer to settle from 50% damages on the amount found to be due from the insurer to the insured, or \$1,000, whichever is greater to 50% damages on the amount found to be due from the insurer to the insured, or \$10,000, whichever is greater. Proposed law also increases the penalty for making a partial payment from 50% of the difference between the amount paid or tendered and the amount found to be due as well as reasonable attorney fees and costs to 50% of the difference between the amount paid or tendered and the amount found to be due as well as reasonable attorney fees and costs or \$10,000, whichever is greater.
