Subject: Exemption: Charitable Purchase of Construction Materials	

TAX EXEMPTIONS RE -\$6,000 GF RV See Note Page 1 of 1
 Reinstates the state sales tax exemption on sales of construction materials to Habitat for Humanity affiliates. (7/1/21)

Current law subjects purchases of tangible personal property to a combined state sales and use tax rate of 4.45%. 0.45% of the 4.45% is levied via R.S. 47:321.1, which will expire on June 30, 2025. At that time, taxable purchases will be subject to a combined state rate of 4%, and purchases of certain construction materials by certain charitable entities will return to being fully exempt.

Proposed law fully exempts, from state and local sales and use tax, sales of construction materials to Habitat for Humanity affiliates, Fuller Center for Housing covenant partners located in this state, or the Make it Right Foundation when such materials are intended for use in constructing new residential dwellings. The exemption lasts from FY22 through FY25, at which time these transactions are scheduled to be exempt under current law. Effective October 1, 2021.

EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure.

REVENUE EXPLANATION

Proposed law fully exempts certain purchases of construction materials by certain charitable entities from state and local sales and use taxes for FY22 through FY25. Current law provides that for FY26 and years following, these purchases are already exempt.

Recent data on eligible purchases is not available, however claims under this exemption prior to its suspension in 2016 imply typical annual eligible expenditures of approximately \$125,000. These amounts imply a general fund revenue impact of approximately \$6,000 for every full year. The reduction to local funds will vary by the tax rate charged and the extent of eligible purchases in each subdivision, and is thus indeterminable in magnitude.
