SB 179 Engrossed

2021 Regular Session

Connick

Present law provides that prior to accepting a request for a prearranged ride on a transportation network company's network, the company shall disclose to its drivers the types and limits of insurance coverage it provides relative to the driver's use of a personal vehicle in connection with the transportation network company's digital network.

Proposed law retains present law and requires that transportation network companies also disclose to its drivers any liability coverages rejected by the company prior the driver accepting a prearranged ride on the transportation network company's digital network.

Effective August 1, 2021.

(Amends R.S. 45:201.5(A)(1))
