DIGEST

SCR 73 Original

2021 Regular Session

McMath

Authorizes and directs each state health care professional licensing board to determine its position concerning each of the following matters:

- (1) Whether the Scope of Practice Determinations for Health Professions Program of the Connecticut Dept. of Public Health is a suitable model for a program of this type in La.
- (2) Whether the Credentialing Review Program of the Nebraska Dept. of Health and Human Services is a suitable model for a program of this type in La.
- (3) Whether any other established program or any potential system not yet established would serve as a suitable model for an independent scope of practice review program for La.

Requires that each such licensing board to report its determination to the Senate and House committees on health and welfare on or before Dec. 31, 2021.
