SB 207 Engrossed

2021 Regular Session

White

Present law (Title 38) requires public work, including labor and materials, exceeding the contract limit undertaken by a public entity to be advertised and awarded by written contract to the lowest responsible bidder who bids according to the bidding documents as advertised.

Proposed law excludes the La. Dept. of Transportation and Development (DOTD) from Title 38 provisions of advertising and awarding to the lowest bidder for public work contracts; DOTD advertises and awards public works contracts pursuant to provisions in Title 48.

Proposed law (Title 48) provides that all DOTD contracts shall require a contractor to agree to comply with a legislative subpoena.

Effective August 1, 2021.
