Present law provides for the Crab Promotion and Marketing Fund.

Proposed law renames the fund to the Crab Development, Management and Derelict Crab Trap Removal Account. Further creates the Oyster Resource Management Account, the Crawfish Development and Management Account, the Louisiana Duck License, Stamp, and Print Fund, the Louisiana Wild Turkey Fund, the Lifetime License Endowment Trust Account and the Louisiana Wildlife and Fisheries Foundation Escrow Account. Further provides for the disposition of monies.

Proposed law dedicates half of the La. duck license, stamp, and print fund to the preservation of La. wintering grounds for migrating waterfowl.

Proposed law provides for hunting reciprocity with Mississippi to become operative when the state of Mississippi grants reciprocal privileges to the holders of hunting and fishing or angling licenses issued by the state of Louisiana.

Proposed law provides for turkey hunting reciprocity with neighboring states if the neighboring state has a similar wild turkey stamp or license requirement and fee.

Proposed law authorizes the establishment of a Nuisance Wildlife Control Operator Program.

Proposed law establishes or changes commercial fees as follows:

- (1) Hunting Guide license - \$150 for residents, \$600 for nonresident.

Proposed law provides that any required species specific culture permit shall cost \$100 and all other species specific permits shall cost \$50. Further provides that mariculture permits shall cost \$500 annually.

Proposed law further changes the date for when a wholesale/retail seafood dealer can purchase a license for the following license year from October 1 to November 15 of the prior year.

Proposed law prohibits the commercial taking or sale by a commercial fisherman of shark except by special permit a cost of \$25.

Proposed law requires the Dept. of Wildlife and Fisheries to offer all licenses and credentials on LA Wallet.

Proposed law requires the Dept. of Wildlife and Fisheries to phase in the changes to commercial license fees implementing fifty percent of each fee increase or decrease starting on November 15, 2022, and the remaining fifty percent of each fee increase or decrease starting on November 15, 2023.

Present law allows any person born in La. who possesses a valid Louisiana birth certificate to purchase a nonresident temporary hunting license that is valid for 5 consecutive days for the cost of a resident hunting license. Proposed law adds basic fishing privileges and extends the period for which the license is valid from 5 days to 10 days.

Present law provides for severance and excise taxes on skins, by trappers, alligator hunters, and alligator farmers, on shipping or taking own catch out of state, and on oysters, fresh water mussels, clams, and shrimp. Proposed law repeals present law.

Proposed law repeals the Derelict Crab Trap Removal Program Account, a non-resident charter skiff license and \$30 fee, examples of wholesale/retail seafood dealers, the retail seafood dealer's license and fee, a limited transfer of net licenses applicable 3 years from

1995, the Oyster Seed Ground Vessel Permit Appeals Board, fees for promotion and protection of wild-caught shrimp, and mariculture and harvest of mariculture fish provisions.
