SB 179 Engrossed

2021 Regular Session

Connick

<u>Present law</u> provides that prior to accepting a request for a prearranged ride on a transportation network company's network, the company shall disclose to its drivers the types and limits of insurance coverage it provides relative to the driver's use of a personal vehicle in connection with the transportation network company's digital network.

<u>Proposed law</u> retains <u>present law</u> and requires that transportation network companies also disclose to its drivers any liability coverages rejected by the company prior the driver accepting a prearranged ride on the transportation network company's digital network.

Effective August 1, 2021.
