HB 50 Original

2022 Regular Session

Frieman

Abstract: Provides for the mailing of the notice of the signing of an order of the court.

Proposed law provides that in all contested cases, notice of the signing of an order shall be sent by both electronic mail and United States Postal Service by the clerk of court to the counsel and each party.

Proposed law provides that for defendants who were not served personally or if citation was served through the secretary of state and who filed no pleading, notice shall be served on the defendant at their last known address by regular or certified mail. If the defendant was originally served through the secretary of state, notice of the order shall be mailed to the secretary of state.

Proposed law provides that the clerk shall certify in the record the date on which and to whom the order was sent via electronic mail and United States Postal Service.
