HB 85 Original

2022 Regular Session

Hollis

Abstract: Prohibits the governing authority of any local municipality or parish from enacting ordinances authorizing the use of automated speed enforcement devices to regulate traffic. Defines "automated speed enforcement device".

Proposed constitutional amendment prohibits the governing authority of any local municipality or parish from enacting ordinances authorizing the use of automated speed enforcement devices to regulate traffic on any public street, road, or highway.

Proposed constitutional amendment defines "automated speed enforcement device" as a camera or optical device installed to work in conjunction with a traffic control signal or radar speed detection equipment, or both.

Provides for submission of the proposed amendment to the voters at the statewide election to be held Nov. 8, 2022. Specifies that the proposed amendment, if approved, will become effective on Jan. 1, 2023.
