SB 103 Original

2022 Regular Session

Foil

Present law provides for the time limitations for filing a legal malpractice claim.

Proposed law retains present law and provides an additional burden on the plaintiff to prove by a preponderance of evidence: (1) that the representation by the attorney would have concluded in a collectable monetary award amount and (2) the value of that collectable award amount had the attorney not committed the alleged malpractice.

Effective August 1, 2022.
