Proposed law requires that within one year of employment all peace officers in the state of Louisiana complete training on human trafficking from the Peace Officers Standards and Training Counsel Learning Management System program. Proposed law further provides that all peace officers employed for one year or more on 8/1/22 must receive training on human trafficking from the Peace Officers Standards and Training Counsel Learning Management System program by 12/31/22.

Proposed law provides that the Peace Officers Standards and Training Counsel must provide an annual report detailing compliance percentages to the Senate Committee on Judiciary C by February 15.

Effective August 1, 2022.
