HB 400 Original

2022 Regular Session

Hodges

Abstract: Requires instruction to be provided to high school students on cardiac health.

Proposed law requires public high schools to provide instruction relative to cardiac health, which shall be integrated into an existing required course. Requires the state Dept. of Education, in consultation with the Dept. of Health, to establish a clearinghouse regarding curricula, instructional materials, and best practices for the instruction. Applicable to all public schools, including charter schools.
