HB 481 Original

2022 Regular Session

Green

Abstract: Requires health insurance coverage benefits for medically necessary surgical corrections of diastasis recti.

Proposed law requires a health coverage plan issued in this state to provide coverage benefits for the surgical correction of diastasis recti when medically necessary to improve compromised stability and core function and the insured is at least 1 year postpartum. Excludes skin tightening, liposuction, contouring, or other associated abdominal procedures intended for improved aesthetic or cosmetic enhancements.
